We confirm (at your request), that we have accepted the Application for product checks according to Module C2 for the product:

Respirator FFP2 Premium and derived version with valve FFP2V Premium

The identification number of the received application is S-820/2020.

According to REGULATION (EU) 2016/425 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 9 March 2016 on personal protective equipment and repealing Council Directive 89/686/EEC Annex VII point 4 *Product checks*:

4.1. *The notified body shall carry out product checks in order to verify the homogeneity of production and the conformity of the PPE with the type described in the EU type-examination certificate and with the applicable essential health and safety requirements.*

4.2. *The product checks shall be carried out at least once a year, at random intervals determined by the notified body. The first product checks shall be carried out no more than one year after the date of issue of the EU type-examination certificate.*

A product check according to Module C2 will be carried out by our decision, latest at July 2021.

Thank you for your cooperation

Best regards
